

Dear Mr. Doe,

The summer break at Hilscher is over and we are looking forward to this year's second half. Note the following appointments today for a personal demonstration of current Hilscher products.

We look forward to seeing you there.

netX Technology Day – 11. October 2011 in Wiesbaden, Germany

As already announced, we cordially would like to invite you to Hilscher's netX Technology Day 2011.

This year, we would like to give you a short overview of the upcoming netX 50 controllers. Afterwards we will inform you in detail about the technical opportunities of the new generation of the netX family. Following, we additionally would like to introduce the development environments of these flexible multi protocol controllers to you.

You can find the complete information about the netX Technology Day in the attached [agenda](#).

If you are interested in participation, we kindly ask you for your online registration at:

http://www.hilscher.com/netx_usermeeting_registration.html.

If there are any questions Ms. Andrea Wollstädter will be glad to assist you. You can contact her via phone at +49 6190 9907-824 or via e-mail at awollstaedter@hilscher.com.

We are looking forward to receiving you on the netX Technology Day in Wiesbaden and wish you a pleasant travelling.

Motek show – 10.-13. October 2011 in Stuttgart, Germany

Motek is the leading international event for assembly, handling and automation. Visit us on the PNO-joint stand in hall 9, booth 9-234 and convince yourself of the flexible communication solutions of Hilscher for Fieldbus and Real-Time-Ethernet. You can find more information about the exhibition [here](#).

With best regards,
Hilscher Gesellschaft für Systemautomation mbH

[See more information about the Hilscher product portfolio and upcoming events on the Internet.](#)

Hilscher Product Portfolio:
